

## Download Digital Content

Digital content packages for use in myStory Designer are available on the myStory website. Some digital content packages are free, while others are available for purchase.

### Make your selection

Log into the myStory website and go to Products > Digital Content to make your selection from the ever-increasing range of content available.

Use the options on the left to filter on the content type, or just select **New Content** so see what's new! Click on the content image to see more details and to order.

## Download Digital Content for myStory Designer

All digital content packages available below are for use in myStory Designer. If you don't have myStory Designer you can download it for free [here!](#) Please be aware that StoryBook Creator will not recognise these packages as commercial content.

**NEW!**

Add to Cart

Once you complete your order you will be able to download the chosen package. If you ever need to download a package again for any reason, simply go to myStory Corner > My Downloaded Content.

### Download your content

The following steps may vary, depending on the internet browser you are using.

#### *If you are using Internet Explorer...*

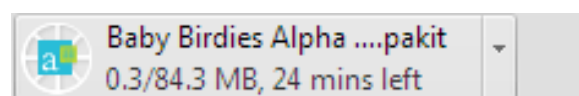

Internet Explorer may open a box that looks like this

Click **Save** to begin the download.

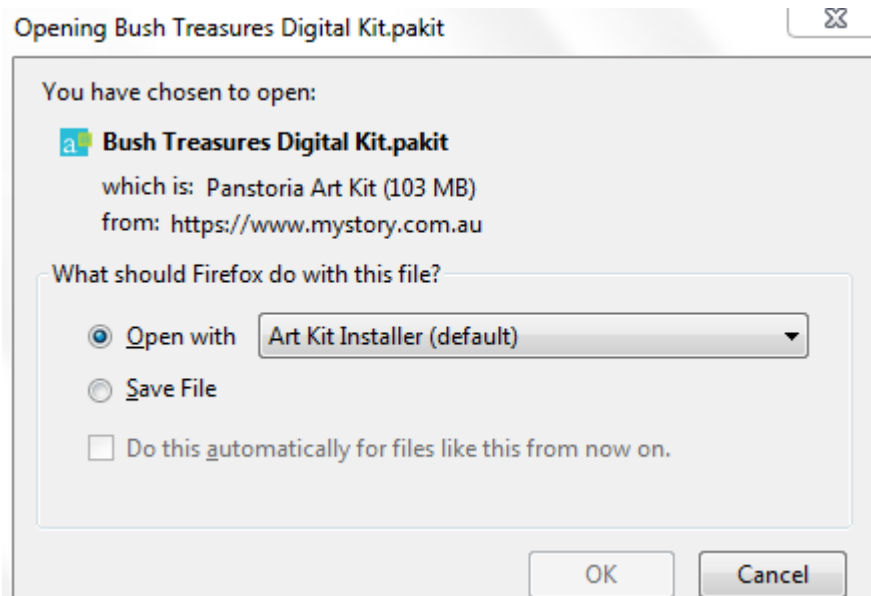

#### *If you are using Google Chrome...*

Chrome will open a box like this, at the bottom of your computer screen and begin the download automatically. Too easy!

*If you are using Firefox as your internet browser...*

Firefox will open up a download box like this

Simply selection **Save File** and click **OK** to begin the download.
